RE: Data Breach Notification

Dear Attorney General Gansler:

We are writing to clarify our letter submitted to your office on April 14, 2010, concerning our client, Ehrenkrantz Eckstut & Kuhn Architects, Inc. (EE&K), in connection with a data breach. That letter correctly stated the incident occurred on April 12, 2010, when a file containing employee information was inadvertently attached to an outgoing email to a former employee. This file included name, Social Security number, address and salary information, and EE&K personnel immediately contacted the former employee, who verbally confirmed that the information has not been used inappropriately, that the information has been deleted and destroyed, and that the information has not been further disclosed.

The incident did not, however, involve a stolen laptop.

If you require any additional information on this matter, please call me.

Sincerely,

JACKSON LEWIS LLP
